

Sale of Transcript of Seminar on Credit Default Swap

In an attempt to better understand and deliberate on the relatively new subject of Credit Default Swaps in the Indian context, experts on the subject were invited by CARE Ratings to explain in simple terms the nuances of the subject at its seminar on **Credit Default Swaps: Concept and Prospects** held on August 5, 2011.

CARE Ratings had highly distinguished experts who are closely associated with the subject that included **Ms. Shyamala Gopinath, Ex Deputy Governor, Reserve Bank of India, Ms. Shilpa Kumar, Chairperson, FIMMDA and Mr. Rajesh Mokashi, Deputy Managing Director, CARE Ratings**, who presented their views and shared their thoughts on the same at the seminar. In addition, **Mr. D.R. Dogra, MD and CEO CARE Ratings** presented an overview of the subject in his welcome address.

Given the overwhelming response and attendance the seminar received, we have put together the transcripts of the proceedings of the seminar (in a booklet) for future reference, as we believe this will be a “the subject” in times to come for the Indian Financial Markets and the CARE Ratings **Credit Default Swaps** Seminar provided the right kind of understanding of the subject. The seminar transcripts can now be purchased for a nominal fee of Rs. 200/copy (excluding VAT).

Cheque/DD can be drawn for Rs.210/- (includes 5% VAT) in favor of **Credit Analysis & Research Limited**, payable at **Mumbai**.

Kindly provide us with the contact details (name, address, email and phone and mobile numbers) whereto we can courier the transcripts. You would receive the transcript within a day or two of the receipt of payment.
