Support towards Covid-19 Relief

In the light of the spread of Covid-19 in the country which has caused progressive distress to a large section of the population with negative consequences for the economy, CARE Ratings has contributed a sum of INR 2 crore (Rs two crores) to the PM's Covid-19 Fund. This donation is a small token of contribution on our side to help those in need.

In addition, CARE Ratings has also provided aid of INR 50 lakh to Bombay Hospital to buy ventilators and other allied equipment and medicines for Covid 19 patients. The government has asked all private hospitals in the state to provide and keep an inventory of medical equipment, beds and other facilities in a state of readiness for any possible flood of Covid-19 patients. Aid from CARE Ratings will help Bombay Hospital in fulfilling this responsibility.
