

Mumbai, 6th September 2019

PRESS RELEASE

3rd ANNIVERSARY CELEBRATION & LAUNCH OF “CERTIFICATE COURSE IN RISK MANAGEMENT”

CARE Advisory Research and Training Ltd. celebrated 3rd Anniversary of its incorporation at a function held at Courtyard by Marriott, Andheri (E), Mumbai on 6th September, 2019.

CARE Advisory Research & Training Ltd. (CART) is a wholly-owned subsidiary of CARE Ratings

Limited. CART is engaged in the business of rendering financial and management advisory services, undertaking diligence studies and appraisals of all types of projects and other related research. CART also caters to the training needs of corporates and professionals through its training programme offerings.

During the event, CARE Training (division of CART) also announced the Launch of on-line “**Certificate Course in Risk Management (CCRM)**”. The course was launched by Shri Dinabandhu Mohaptra, former MD of Bank of India.

CARE Training has developed the “Certificate Course on Risk Management (CCRM)” in order to assist in capacity building in the field of Risk Management. The course will be delivered through on-line mode and is designed to fully capture the essence of RBI guidelines on capacity building in the field of “Risk Management” for Banks and Financial Institutions.

In the key note address delivered by Shri Dinabandhu Mohaptra during the event, he congratulated CART on its achievements in its first 3 years, he also emphasized on the need for Training in the field of Risk management especially given the challenging risk environment currently being faced by the banking system. He also stressed on the advantages of on-line training which provides ease and convenience in training employees located at distant offices.

Shri Navin Jain, Executive Director of CARE Ratings Ltd. and Shri Madan Sabnavis, Chief Economist of CARE Ratings Ltd. also addressed the gathering and congratulated CART on its achievements.

Shri Sanjeet Kumar, CEO of CART, in his address during the event highlighted the journey and achievements of CART over the past 3 years. He dwelt on the in-house expertise within CARE Group and the involvement of experts from Financial services Sector which have helped in bringing out a world-class course on Risk Management. He emphasized that the course takes into account the challenges faced by Risk Managers in India and that it will help all professionals working in the field of Risk management.

The course can be accessed on www.care-trainings.com
