LAUNCH OF “CERTIFICATE COURSE IN CREDIT MANAGEMENT” BY CARE TRAINING

CARE Training is pleased to announce the Launch of “Certificate Course in Credit Management (CCCM)”. The course was launched by Shri S.B. Mainak, former MD of LIC and Chairman of CARE Ratings Ltd. at an event in Hotel Sofitel, BKC Mumbai on 2nd February, 2018.

CARE Training is a division of CARE Advisory Research and Training Ltd., a wholly owned subsidiary of CARE Ratings Ltd.

CARE Training has developed the “Certificate Course on Credit Management (CCCM)” in order to assist in capacity building in the field of Credit Management. The course will be delivered through on-line mode and is designed to fully capture the essence of RBI guidelines on capacity building in the field of “Credit Management” for Banks and Financial Institutions.

In the key note address delivered by Shri S.B. Mainak during the event, he emphasized on the need for Training in the field of credit management especially given the NPA challenges currently being faced by the banking system. He also stressed on the advantages of on-line training which provides ease and convenience in training employees located at distant offices.

Shri Rajesh Mokashi, MD & CEO of CARE Ratings Ltd. and Shri Mehul Pandya, Executive Director of CARE Ratings Ltd. also addressed the gathering and appreciated the structure and format of the course. Shri Mokashi mentioned that the course will impart requisite skills to Credit Managers in order to improve credit management practices within Banks/FIs.

Shri Sanjeet Kumar, CEO of CARE Advisory Research Ltd., in his address during the event dwelt on the in-house expertise within CARE Training and the involvement of experts from Banking Sector which have helped in bringing out a world-class course on Credit Management. He emphasized that the course takes into account the challenges faced by Credit Managers in India and that it will help all professionals working in the field of credit management.

The course can be accessed on www.care-trainings.com.
