CARE Forays Into Consultancy

Rating major Credit Analysis and Research Ltd (CARE) is diversifying into new areas and has plans to foray into overseas market to boost its revenue. The company is set to offer risk management consultancy services from 2013-14 through CARE Kalypto Risk Technologies Ltd, a subsidiary of the company, CARE managing director and chief executive officer D R Dogra said yesterday. "Growth in ratings space is limited. Consultancy services would provide diversification," he said on the sidelines of the CII-organised Financial Markets Conclave 2013 in Kolkata.
