CARE plans to offer risk management consultancy

KOLKATA: Rating major Credit Analysis and Research Ltd (CARE) is diversifying into new areas, and has plans to make a foray into overseas market to boost its revenue.

CARE is set to offer risk management consultancy services from 2013-14 through CARE Kalypto Risk Technologies Ltd., a subsidiary of the company, CARE Managing Director and Chief

Executive Officer D. R. Dogra said here on Wednesday.

"Growth in ratings space is limited. Consultancy services would provide diversification," he said on the sidelines of CII-organised Financial Markets Conclave 2013.

Mr. Dogra said CARE was talking to rating companies from Brazil, Portugal, Malaysia and South Africa to form a joint venture. — PTI
