Government borrowings for FY21 crosses Rs 11 lakh crore

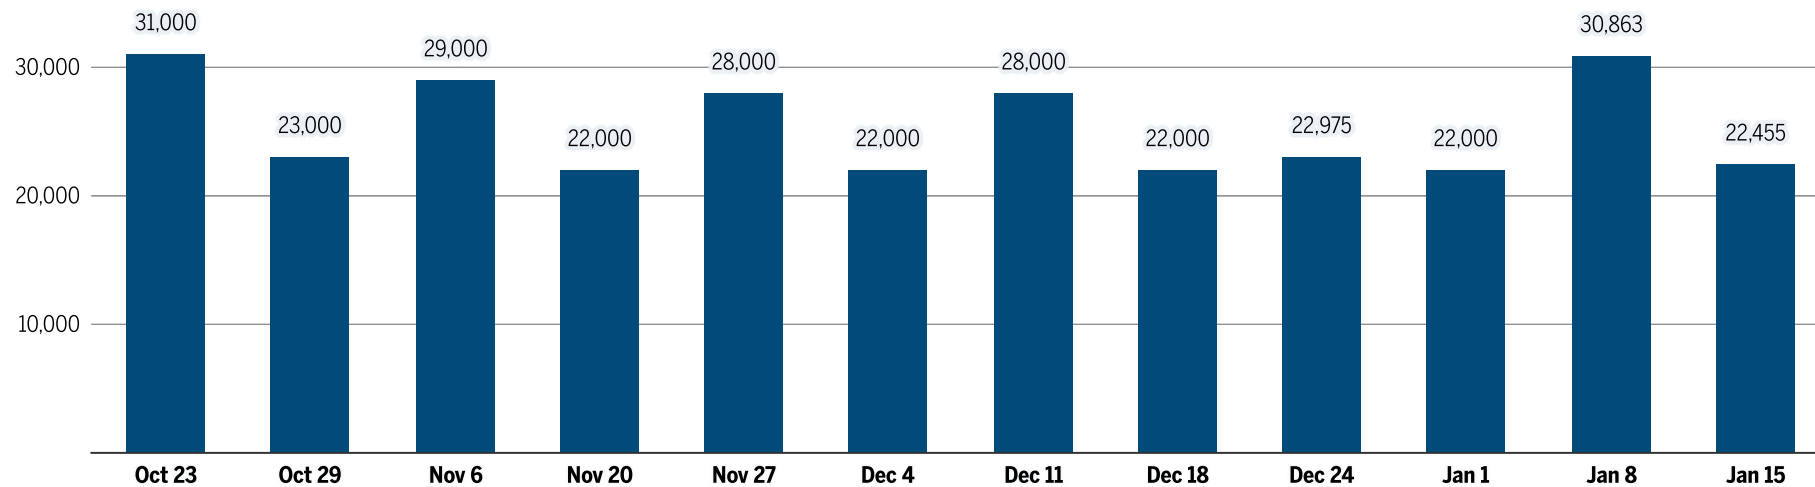

TNN | Jan 18, 2021, 11.27 AM IST

The central government raised Rs 22,455 crore during the week ended January 15, which is higher than the notified amount of Rs 22,000 crore but lower than the funds raised during the previous week (Rs 30,863 crore). The total amount raised so far this fiscal has crossed Rs 11.3 lakh crore; 70 per cent higher than the corresponding period last year. It is 86 per cent of the revised central government borrowing limit of Rs 13.1 lakh crore for the year.
