Detailed Rationale & Key Rating Drivers

CARE had, vide its press release dated April 02, 2020, placed the rating(s) of **Riga Sugar Company Limited (RSCL)** under the 'issuer non-cooperating' category as RSCL had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. RSCL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and letter/emails dated February 16, 2021, February 26, 2021, March 08, 2021.

In line with the extant SEBI guidelines, CARE has reviewed the rating on the basis of the best available information which however, in CARE's opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating.
