Detailed Rationale & Key Rating Drivers

CARE Ratings Ltd. had, vide its press release dated September 09, 2021, placed the rating(s) of Durgapur Institute Of Advanced Technology and Management (DIOATM) under the 'issuer non-cooperating' category as DIOATM had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. DIOATM continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated July 26, 2022, August 05, 2022, August 15, 2022.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of DIOATM have been revised on account of non-availability of requisite information.
