Detailed Rationale & Key Rating Drivers

CARE Ratings Ltd. had, vide its press release dated January 27, 2021, placed the rating(s) of Akash Spinning Mills (ASM) under the 'issuer non-cooperating' category as ASM had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. ASM continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated December 13, 2021, December 23, 2021, January 02, 2022.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings have been revised on account of non-availability of requisite information.
