**Detailed Rationale & Key Rating Drivers**

CARE has been seeking information from Suresh Angadi Education Foundation (SAEF) to monitor the rating(s) vide e-mail communication dated November 19, 2020 and numerous phone calls. However, despite our repeated requests, the trust has not provided the requisite information for monitoring the ratings. Also, the Trust has not been submitting the NDS. In line with the extant SEBI guidelines, CARE has reviewed the rating on the basis of the publicly available information which, however, in CARE's opinion, is not sufficient to arrive at a fair rating. The rating on Suresh Angadi Education Foundation's bank facilities continues to be denoted as **CARE D; ISSUER NOT COOPERATING**.

**Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).**

**Detailed description of the key rating drivers**

*At the time of last rating on October 24, 2019 the following were the rating strengths and weaknesses:*

**Key Rating Weakness****Delay in debt servicing by the company**

The trust had been delaying the repayments on its debt facilities due to cash flow mismatch leading to liquidity issues. CARE has been unable to ascertain the current repayment track record of the Trust as the due diligence with lenders could not be conducted.

**Analytical approach:** Standalone
