Detailed Rationale & Key Rating Drivers

CARE Ratings Ltd. had, vide its press release dated August 31, 2021, placed the rating(s) of MAK Hospitals Private Limited (MHPL) under the 'issuer non-cooperating' category as MHPL had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. MHPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated July 17, 2022, July 27, 2022, August 06, 2022.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).
