Detailed Rationale & Key Rating Drivers

CARE Ratings Ltd. had, vide its press release dated June 14, 2021, placed the rating(s) of Gupta Hair Products Private Limited (GHPPL) under the 'issuer non-cooperating' category as GHPPL had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. GHPPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated April 30, 2022, May 10, 2022, May 20, 2022.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The rating assigned to the bank facilities of GHPPL have been revised on account of non-availability of requisite information. The ratings also factored in increase in debt levels during FY21 over FY20.

Analytical approach: Standalone: Combined till FY18 and Standalone from FY19 onwards. CARE had taken combined approach for Gupta Enterprises and Gupta Hair Products Private Limited till FY18 as these entities are in a similar line of business, share a common sourcing network and operate under the same management. Further, due to lack of sufficient information of all the entities, standalone financials have been considered from FY19 onwards.
