Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated January 13, 2023, placed the rating(s) of M. S. Elastic And Tapes Private Limited (MSETPL) under the 'issuer non-cooperating' category as MSETPL had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. MSETPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated November 29, 2023, December 09, 2023, December 19, 2023.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of MSETPL have been revised on account of non-availability of requisite information. The ratings also consider decline in overall profitability during FY23.

Analytical approach: Standalone
