#### **Rationale and key rating drivers**

CARE Ratings Ltd. had, vide its press release dated February 13, 2023, placed the rating(s) of M.P Mining and Energy Limited (MMEL) under the 'issuer non-cooperating' category as MMEL had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. MMEL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated December 30, 2023, January 09, 2024, January 19, 2024.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).
