Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated January 30, 2023, placed the rating(s) of Bajla Motors Private Limited (BMPL) under the 'issuer non-cooperating' category as BMPL had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. BMPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated December 26, 2023, January 05, 2024, April 02, 2024.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

Analytical approach: Standalone

Outlook: Stable
