Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated March 14, 2023, placed the rating(s) of Pushpak Rail Construction Private Limited(PRCPL) under the 'issuer non-cooperating' category as PRCPL had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. PRCPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated January 28, 2024, February 07, 2024, February 17, 2024.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of PRCPL have been revised on account of non-availability of requisite information. The rating revision also considers the small scale of operations as well as an increase in overall debt in FY23 compared to FY22.
