Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated February 09, 2023, placed the rating(s) of Arora Industries (AI) under the 'issuer non-cooperating' category as AI had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. AI continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated April 24, 2024, April 26, 2024, April 29, 2024.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

Analytical approach: Standalone.

CARE had taken combined approach for Arora Industries and Arora Knit Fab Private Limited till FY21 as both these entities have common management and financial linkages. However, updated information is not available to determine that management and financials linkages continue to exist. Thus, analytical approach has been changed to standalone.

Outlook: Not Applicable
