Rationale & Key Rating Drivers

CARE Ratings Ltd. had, vide its press release dated April 17, 2023, placed the rating(s) of Bangalore Polymers Private Limited (BPPL) under the 'issuer non-cooperating' category as BPPL had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. BPPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated March 02, 2024, March 12, 2024, March 22, 2024.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings have been revised on account of non-availability of requisite information. Further it also considers a leveraged capital structure marked by high debt vis-à-vis low net worth base in FY23.

Analytical approach: Standalone

Outlook: Stable
