Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated May 17, 2023, placed the rating(s) of Pentech Metals Limited (PML) under the 'issuer non-cooperating' category as PML had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. PML continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated April 01, 2024, April 11, 2024, April 21, 2024 and July 10, 2024.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to bank facilities of PML have been revised on account of non-availability of requisite information. The rating revision also considers ongoing delays in debt servicing recognised from publicly available information. i. e. CIBIL check
