Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated May 23, 2023, placed the rating(s) of Navbharat Nirman Company (NNC) under the 'issuer non-cooperating' category as NNC had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. NNC continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated April 07, 2024, April 17, 2024, April 27, 2024.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings have been revised on account of non-availability of requisite information. The rating revision also considers the high overall debt vis-à-vis low networth base of the firm.

Analytical approach: Standalone
