## Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated May 11, 2023, placed the rating(s) of Quadsel Systems Private Limited (QSPL) under the 'issuer non-cooperating' category as QSPL had failed to provide information for monitoring of the rating. QSPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated March 26, 2024, April 05, 2024, April 15, 2024.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).
