Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated May 31, 2023, placed the rating(s) of Prakash Hi-Tech Developers And Constructions Private Limited (PHDCPL) under the 'issuer non-cooperating' category as PHDCPL had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. PHDCPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated April 15, 2024, April 25, 2024, May 05, 2024.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to bank facilities of PHDCPL have been revised on account of non – availability of requisite information. The rating revision also considers the small scale of operations and a leveraged capital structure as a result of high overall debt vis-à-vis low networth base in FY23.

Analytical approach: Standalone

Outlook: Stable
