Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated April 24, 2023, placed the rating(s) of Natural Cotton Spinners Private Limited (NCSPL) under the 'issuer non-cooperating' category as NCSPL had failed to provide information for monitoring of the rating and had not paid the surveillance fees for the rating exercise as agreed to in its Rating Agreement. NCSPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated March 09, 2024, March 19, 2024, March 29, 2024, July 02, 2024.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of NCSPL have been revised on account of delays in debt servicing recognized from lender's feedback as well as CIBIL check.
