### Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated July 19, 2023, placed the rating(s) of Consite Engineering Company Limited (CECL) under the 'issuer non-cooperating' category as CECL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. CECL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated June 03, 2024, June 13, 2024 and June 23, 2024.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

**Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).**

**Analytical approach:** Standalone

**Outlook:** Not Applicable
