Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated July 20, 2023, placed the rating(s) of Veepee Cotex Corporation (VCC) under the 'issuer non-cooperating' category as VCC had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. VCC continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated June 04, 2024, June 14, 2024 and June 24, 2024.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

Analytical approach: Standalone
