Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated June 07, 2023, placed the rating(s) of Jawala Coke Private Limited (JCPL) under the 'issuer non-cooperating' category as JCPL had failed to provide information for monitoring of the rating. JCPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated April 22, 2024, May 02, 2024, May 12, 2024.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of JCPL have been revised on account of non-availability of requisite information. The revision also factored significant decline in overall profitability during FY23.
