Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated June 21, 2023, placed the rating(s) of 23 North Logistics Solutions Private Limited (23NLSPL) under the 'issuer non-cooperating' category as 23NLSPL had failed to provide information for monitoring of the rating. 23NLSPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated August 12, 2024, August 13, 2024, August 14, 2024.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of 23NLSPL have been revised on account of non-availability of requisite information. The revision also factored in decline in overall profitability, increase in debt levels and deterioration in debt coverage indicators in FY23 over FY22.
