Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated July 10, 2023, placed the rating(s) of Spring Overseas Private Limited (SOPL) under the 'issuer non-cooperating' category as SOPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. SOPL continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated May 25, 2024, June 04, 2024 and June 14, 2024.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings have been revised on account of non-availability of requisite information. The rating revision also considers the weak debt coverage indicators as a result of decline in operating profitability vis-à-vis stable interest costs in FY23 compared FY22.

Analytical approach: Standalone

Outlook: Stable
