Rationale & Key Rating Drivers

CARE Ratings Ltd. had, vide its press release dated July 12, 2023, placed the rating(s) of Shiv Electricals (SE) under the 'issuer non-cooperating' category as SE had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. SE continues to be non-cooperative despite repeated requests for submission of information through e-mails, phone calls and a letter/email dated May 27, 2024, June 06, 2024 and June 16, 2024.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).
