## **Rationale & Key Rating Drivers**

CARE Ratings Ltd. had, vide its press release dated August 08, 2023, placed the rating(s) of Biltech Building Elements Limited (BBEL) under the 'issuer non-cooperating' category as BBEL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. BBEL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated June 23, 2024, July 03, 2024 and July 13, 2024 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

# Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).
