Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated August 31, 2023, placed the rating(s) of Maison De Couture Fabrics Private Limited (MDCFPL) under the 'issuer non-cooperating' category as MDCFPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. MDCFPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated July 16, 2024, July 26, 2024 and August 05, 2024 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

Analytical approach: Standalone revised from combined.

CARE had previously considered the combined approach for for 'Oneworld Group' companies which includes Oneworld Creation Private Limited (OCPL), Oneworld Industries Private Limited (OIPL), Oneworld Retail Private Limited (ORPL), Oneworld Sourcing (OS), Tissori India Fabrics Private Limited (TIFPL), Maison De Couture Private Limited (MDC), Zephyr Fabric Trading LLP (ZFT), Worsted Overseas Trading LLP (WOT), WorldStar Fabric LLP (WF), Ultimo Fabrics Private Limited (UFPL) and Oneworld Design Studios Private Limited (ODS) on account of strong operational and managerial linkages being in the same line of business and common promoters. However, updated information is not available to ascertain operational and financial linkages that warrant a continuation of combined approach.

About the company

Established in the year 1995 by Mr. Urvil Jani and Mr. Manoj Khushalani, the group began its business under a partnership firm "Roshvil Enterprise". The firm was engaged in the business of trading of fabrics in bulk quantities for men's wear. Subsequently, the product profile was diversified by the firm to cater to women's wear and readymade garments. Owing to increase in the scale of operation over the years, the group was re-christened as Oneworld group and the business carried under the partnership firm was transferred to a private limited company incorporated in the year 2012 viz Oneworld Industries Private Limited. Consequently, many other companies were incorporated to carry on trading of various textile products. Currently, the group is engaged in the business of trading in fabric materials and readymade garments (manufactured on job work basis). Maison De Couture Fabrics Private Limited was incorporated on August 10, 2015 to establish and undertake business of trading of shirting fabrics in India under the brand name 'Tissori' on stock and sales basis.

About us:

Established in 1993, CARE Ratings is one of the leading credit rating agencies in India. Registered under the Securities and Exchange Board of India, it has been acknowledged as an External Credit Assessment Institution by the RBI. With an equitable position in the Indian capital market, CARE Ratings provides a wide array of credit rating services that help corporates raise capital and enable investors to make informed decisions. With an established track record of rating companies over almost three decades, CARE Ratings follows a robust and transparent rating process that leverages its domain and analytical expertise, backed by the methodologies congruent with the international best practices. CARE Ratings has played a pivotal role in developing bank debt and capital market instruments, including commercial papers, corporate bonds and debentures, and structured credit.

Disclaimer:

The ratings issued by CARE Ratings are opinions on the likelihood of timely payment of the obligations under the rated instrument and are not recommendations to sanction, renew, disburse, or recall the concerned bank facilities or to buy, sell, or hold any security. These ratings do not convey suitability or price for the investor. The agency does not constitute an audit on the rated entity. CARE Ratings has based its ratings/outlook based on information obtained from reliable and credible sources. CARE Ratings does not, however, guarantee the accuracy, adequacy, or completeness of any information and is not responsible for any errors or omissions and the results obtained from the use of such information. Most entities whose bank facilities/instruments are rated by CARE Ratings have paid a credit rating fee, based on the amount and type of bank facilities/instruments. CARE Ratings or its subsidiaries/associates may also be involved with other commercial transactions with the entity. In case of partnership/proprietary concerns, the rating/outlook assigned by CARE Ratings is, inter-alia, based on the capital deployed by the partners/proprietors and the current financial strength of the firm. The ratings/outlook may change in case of withdrawal of capital, or the unsecured loans brought in by the partners/proprietors in addition to the financial performance and other relevant factors. CARE Ratings is not responsible for any errors and states that it has no financial liability whatsoever to the users of the ratings of CARE Ratings. The ratings of CARE Ratings do not factor in any rating-related trigger clauses as per the terms of the facilities/instruments, which may involve acceleration of payments in case of rating downgrades. However, if any such clauses are introduced and triggered, the ratings may see volatility and sharp downgrades.
