Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated September 05, 2023, placed the rating(s) of Vishnu Cotton Mills Limited (VCML) under the 'issuer non-cooperating' category as VCML had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. VCML continues to be non-cooperative despite repeated requests for submission of information through e-mails dated July 21, 2024, July 31, 2024, August 10, 2024 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of VCML have been revised on account of non-availability of requisite information.

About the company

VCML, incorporated in 1994 and taken over by the current promoter in June 2013 is engaged in manufacturing of yarn with an installed capacity of 12 tonnes per day through 36,864 spindles. It also has a dyeing division with capacity of 10 tonnes per day. Status of non-cooperation with previous CRA: CRISIL has continued the rating assigned to the bank facilities of VCML into Issuer Not Cooperating category vide press release dated May 30, 2024 on account of its inability to carry out a review in the absence of the requisite information from the company.
