Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated September 08, 2023, placed the rating(s) of Hema Engineering Industries Limited (HEIL) under the 'issuer non-cooperating' category as HEIL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. HEIL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated July 24, 2024, August 03, 2024 and August 13, 2024 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).
