### Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated November 03, 2023, placed the rating(s) of Chaitanya International Minerals LLP (CIML) under the 'issuer non-cooperating' category as CIML had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. CIML continues to be non-cooperative despite repeated requests for submission of information through e-mails dated September 18, 2024, September 28, 2024 and October 08, 2024 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

**Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).**

**Analytical approach:** Standalone

**Outlook:** Stable
