Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated October 30, 2023, placed the rating(s) of Jai Ambey Wire Private Limited (JAWPL) under the 'issuer non-cooperating' category as JAWPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. JAWPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated September 14, 2024, September 24, 2024 and October 04, 2024 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of JAWPL have been revised on account of non-availability of requisite information.

Analytical approach: Standalone revised from combined

For the purpose of analysis, CARE had combined financials of Jai Ambey Wire EX-IM Private Limited and Jai Ambey Wire Private Limited due to their operational, financial and managerial linkages. However, updated information is not available to ascertain financial linkages and warrant a continuation of combined approach.

Outlook: Stable

Status of non-cooperation with previous CRA: CRISIL has continued the rating assigned to the bank facilities of JAWPL into Issuer Not Cooperating category vide press release dated December 19, 2024 on account of its inability to carry out a review in the absence of the requisite information from the company.
