Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated January 17, 2024, placed the rating(s) of Katti-Ma Exports Private Limited (KEPL) under the 'issuer non-cooperating' category as KEPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. KEPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated December 02, 2024, December 12, 2024 and December 22, 2024 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of KEPL have been revised on account of non-availability of requisite information.
