### Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated January 25, 2024, placed the rating(s) of SVR Electro Projects Private Limited (SEPPL) under the 'issuer non-cooperating' category as SEPPL had failed to provide information for monitoring of the rating exercise as agreed to in its Rating Agreement. SEPPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated December 10, 2024, December 20, 2024 and December 30, 2024 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

**Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).**

The ratings have been revised on account of non-availability of requisite information.

**Analytical approach:** Standalone

**Outlook:** Stable
