### Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated January 18, 2024, placed the rating(s) of Rawalwasia Textile Industries Private Limited (RTIPL) under the 'issuer non-cooperating' category as RTIPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. RTIPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated December 03, 2024, December 13, 2024, December 23, 2024 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

**Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).**

The ratings assigned to the bank facilities of RTIPL have been revised on account of non-availability of requisite information.

**Analytical approach:** Standalone

**Outlook:** Stable

### About the company

Surat-based (Gujarat) RTIPL was incorporated in the year 1993 as a private limited company with an objective to carry out the business of yarn manufacturing on job work basis. Till March 2013 it was carrying out the job work for its group entity namely Rawalwasia Yarn Dyeing Private Limited. However, the company discontinued the entire operations from February, 2014 and started coal trading from March, 2014 onwards. RTIPL imports coal from Indonesia and sells coal to local players in Surat to different companies which are into yarn dyeing and printing. Due to higher CNG charges in Surat many textile companies are now using thermo pack technology which uses coal to heat boilers.

**Status of non-cooperation with previous CRA:** Brickwork has continued the ratings assigned to the bank facilities of RTIPL to 'Issuer Not Cooperating' category vide press release dated June 14, 2024 on account of its inability to carry out a review in the absence of the requisite information from the company.

Acuite has continued the ratings assigned to the bank facilities of RTIPL to 'Issuer Not Cooperating' category vide press release dated June 05, 2024 on account of its inability to carry out a review in the absence of the requisite information from the company.
