Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated February 20, 2024, placed the rating(s) of N.V. Kharote Constructions Private Limited (NKCP) under the 'issuer non-cooperating' category as NKCP had failed to provide information for monitoring as agreed to in its Rating Agreement. NKCP continues to be non-cooperative despite repeated requests for submission of information through e-mails dated January 05, 2025, January 15, 2025 and January 25, 2025 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).
