Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated February 15, 2024, placed the rating(s) of Tekno Print Solutions (TPS) under the 'issuer non-cooperating' category as TPS had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. TPS continues to be non-cooperative despite repeated requests for submission of information through e-mails dated December 31, 2024, January 10, 2025 and January 20, 2025 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).
