### Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated February 09, 2024, placed the rating(s) of Padma Polymers (PP) under the 'issuer non-cooperating' category as PP had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. PP continues to be non-cooperative despite repeated requests for submission of information through e-mails dated December 25, 2024, January 04, 2025 and January 14, 2025 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

**Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).**

**Analytical approach:** Standalone

**Outlook:** Stable
