# **Rationale and key rating drivers**

CARE Ratings Ltd. had, vide its press release dated February 12, 2024, placed the rating(s) of DTC Securities Private Limited (DSPL) under the 'issuer non-cooperating' category as DSPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. DSPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated December 28, 2024, January 07, 2025, January 17, 2025 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

# Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of DSPL have been revised on account of non-availability of requisite information.

# Analytical approach: Standalone revised from Combined

CARE has combined the business and financial risk profiles of DTC Securities Private Limited (DSPL) and East Commercial Private Limited (ECPL) as both the companies share the lease rentals arising from a common lessee to service the debt obligation jointly sanctioned to them. However, updated information is not available to ascertain financial linkages that warrant a continuation of combined approach.

# Outlook: Stable
