Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated January 09, 2024, placed the rating(s) of Shiv Vegpro Private Limited (SVPL) under the 'issuer non-cooperating' category as SVPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. SVPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated November 24, 2024, December 04, 2024, December 14, 2024 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to the bank facilities of SVPL have been revised on account of non-availability of requisite information.
