## Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated February 27, 2024, placed the rating(s) of RPG Industrial Products Private Limited (RIPPL) under the 'issuer non-cooperating' category as RIPPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. RIPPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated January 12, 2025, January 22, 2025 and February 01, 2025 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to bank facilities of RIPPL have been revised on account of non-availability of requisite information.

Analytical approach: Standalone

Outlook: Stable
