Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated January 25, 2024, placed the rating(s) of Subrata Kundu Construction Company Private Limited (SKCCPL) under the 'issuer non-cooperating' category as SKCCPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. SKCCPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated December 10, 2024, December 20, 2024 and December 30, 2024 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

About the company

Uttar Dinajpur (West Bengal) based Subrata Kundu Construction Company Private Ltd (SKCCPL) was initially set up as a proprietorship entity 'M/s Subrata Kundu' in the year 1992 by Mr Subrata Kundu. However, SKCCPL was converted into private limited company on March 14, 2011 and its name changed to the current one. Since its inception, the company is into civil construction business in the segment like roads and bridges.

Status of non-cooperation with previous CRA: Acuite has continued the rating assigned to the bank facilities of SKCCPL into Issuer Not Cooperating category vide press release dated July 10, 2024 on account of its inability to carry out a review in the absence of requisite information.

With an equitable position in the Indian capital market, CARE Ratings provides a wide array of credit rating services that help corporates raise capital and enable investors to make informed decisions. With an established track record of rating companies over almost three decades, CARE Ratings follows a robust and transparent rating process that leverages its domain and analytical expertise, backed by the methodologies congruent with the international best practices. CARE Ratings has played a pivotal role in developing bank debt and capital market instruments, including commercial papers, corporate bonds and debentures, and structured credit.

Disclaimer:

The ratings issued by CARE Ratings are opinions on the likelihood of timely payment of the obligations under the rated instrument and are not recommendations to sanction, renew, disburse, or recall the concerned bank facilities or to buy, sell, or hold any security. These ratings do not convey suitability or price for the investor. The agency does not constitute an audit on the rated entity. CARE Ratings has based its ratings/outlook based on information obtained from reliable and credible sources. CARE Ratings does not, however, guarantee the accuracy, adequacy, or completeness of any information and is not responsible for any errors or omissions and the results obtained from the use of such information. Most entities whose bank facilities/instruments are rated by CARE Ratings have paid a credit rating fee, based on the amount and type of bank facilities/instruments. CARE Ratings or its subsidiaries/associates may also be involved with other commercial transactions with the entity. In case of partnership/proprietary concerns, the rating/outlook assigned by CARE Ratings is, inter-alia, based on the capital deployed by the partners/proprietors and the current financial strength of the firm. The ratings/outlook may change in case of withdrawal of capital, or the unsecured loans brought in by the partners/proprietors in addition to the financial performance and other relevant factors. CARE Ratings is not responsible for any errors and states that it has no financial liability whatsoever to the users of the ratings of CARE Ratings. The ratings of CARE Ratings do not factor in any rating-related trigger clauses as per the terms of the facilities/instruments, which may involve acceleration of payments in case of rating downgrades. However, if any such clauses are introduced and triggered, the ratings may see volatility and sharp downgrades.
