Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated May 08, 2024, placed the rating(s) of Ideas Electricals & Engineers Private Limited (IEEPL) under the 'issuer non-cooperating' category as IEEPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. IEEPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated March 24, 2025, April 03, 2025 and April 13, 2025 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings have been revised on account of non-availability of requisite information.
