Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated May 02, 2024, placed the rating(s) of Alom Poly Extrusions Limited (APEL) under the 'issuer non-cooperating' category as APEL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. APEL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated March 18, 2025, March 28, 2025, April 07, 2025 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

Analytical approach: Standalone
