Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated May 21, 2024, placed the rating(s) of Omicron Power Engineers Private Limited (OPEPL) under the 'issuer non-cooperating' category as OPEPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. OPEPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated April 06, 2025, April 16, 2025 and April 26, 2025 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

About the company

Aurangabad-based (Maharashtra) OPEPL was initially established as a partnership firm in 1990 and later in 2010 was converted into a private limited company. OPEPL is a turnkey power infrastructure development company engaged in execution of power infrastructure works like erection and commissioning of substations, transmission line setup for government, semi-government and private organizations.

Status of non-cooperation with previous CRA: Brickwork has continued the rating assigned to the bank facilities of OPEPL under Issuer Not Cooperating category vide press release dated June 24, 2024 on account of its inability to carry out a review in the absence of the requisite information from the company.

Most entities whose bank facilities/instruments are rated by CareEdge Ratings have paid a credit rating fee, based on the amount and type of bank facilities/instruments. CareEdge Ratings or its subsidiaries/associates may also be involved with other commercial transactions with the entity. CareEdge Ratings does not act as a fiduciary by providing the rating. The ratings are intended for use only within the jurisdiction of India. The ratings of CareEdge Ratings do not factor in any rating-related trigger clauses as per the terms of the facilities/instruments, which may involve acceleration of payments in case of rating downgrades. However, if any such clauses are introduced and triggered, the ratings may see volatility and sharp downgrades. CareEdge Ratings has established policies and procedures as required under applicable laws and regulations which are available on its website.
