Rationale and key rating drivers

CARE Ratings Ltd. had, vide its press release dated April 23, 2024, placed the rating(s) of Safetix Protective Equipments Private Limited (SPEPL) under the 'issuer non-cooperating' category as SPEPL had failed to provide information for monitoring of the rating as agreed to in its Rating Agreement. SPEPL continues to be non-cooperative despite repeated requests for submission of information through e-mails dated March 09, 2025, March 19, 2025 and March 29, 2025 among others.

In line with the extant SEBI guidelines, CARE Ratings Ltd. has reviewed the rating on the basis of the best available information which however, in CARE Ratings Ltd.'s opinion is not sufficient to arrive at a fair rating.

Users of this rating (including investors, lenders and the public at large) are hence requested to exercise caution while using the above rating(s).

The ratings assigned to bank facilities of SPEPL have been revised on account of non-availability of requisite information.
